May 20th, 2016

Dear Icebreaker Coaches and Managers,

It's time to kick off the summer softball season with Clinton/ASA Icebreaker Tournament **May 27th, 28th, AND 30th**. Attached to this email you will find information on team pools, tournament rules, schedules and tournament brackets. We will **NOT** be holding a coaches meeting prior to the start of the tournament. It is extremely important that you read through this information carefully. We will, however, require all teams to check in 1 hour prior to your first pool play game. If you have any questions, please call the Clinton Recreation Department at 801.614.0780.

For your information the deadline to sign up for the Golden Spike Classic is May 28th. If you are planning to participate in that tournament please contact Steve Rollins prior to the deadline. Jerry Coleman will be at the Clinton Softball Complex during the entire Icebreaker Tournament if you wish to find him this weekend for more information on the Golden Spike Tournament.

For the Icebreaker Tournament we will be using the five fields at our Clinton City Park Complex and the lower field at Sunset City Park. Below are the parks, addresses, and phone numbers.

Park	Address	Phone #	Supervisor
Clinton City Softball Complex	1500 W 2300 N in Clinton	801.614.0892	Jerry Coleman
Sunset City Softball Park	85 W 1800 N in Sunset	"	"

There are no dogs, alcohol, or smoking (including electronic cigarettes) allowed in any of the parks. Overnight parking is available at the Clinton City Park in a designated overflow parking area. *Clinton City will not be providing water jugs in the dugouts at any of the fields listed above.* Teams are responsible for supplying their own water.

This is an ASA sanctioned tournament and all teams must be ASA registered. The coach or manager of each team will be responsible for supplying a copy of your official ASA roster printed off the registerasa.com website and signed or initialed by all parents and/or 18 year old players. The tournament director will keep this copy. This must be given to the facility supervisor **at least 1 hour prior to the start of your first game.**
*You will be reminded of your first game time Thursday May 26th if you **DO NOT** respond to the email containing the schedule by the Clinton Recreation Department.*

As coaches, you also have a couple of other important responsibilities to ensure that we have a good tournament.

1. Following your last pool play game, it is your responsibility to check in with your facility supervisor and verify seedings for double elimination play. Even if you are absolutely 100% positive you know what time you play-it could change. Do not leave before you confirm your next game time.

2. In the event of inclement weather it is the COACHES responsibility to check in with the facility supervisor to verify schedule changes.

For your information, due to a city light ordinance at our parks we cannot play any tournament or pool play games past 11:00 pm.

We are looking forward to a great tournament and we would like to pass our thanks, in advance, for your efforts in making this tournament a success!

Once again, if you have any questions before Friday the 27th of May, please call 801.614.0780. See you then and let's have a great tournament!

Clinton City Recreation,

Sarah Read
Tournament Director

*** If the tournament gets rained out, refer to the following refund schedule***

Number of Games Played	**Refund Amount**
1 Pool Play Game	$281.25
2 Pool Play Games	$187.50
2 Pool Play + 1 Tournament Game	$93.75

2016 Clinton / ASA
Icebreaker Tournament

Tournament Rules

1. All Amateur Softball Association (ASA) rules will be followed unless otherwise noted.

2. All pool play games will be played by the following rules:

A) 8 run rule after 5 innings or 1 hour
B) A new inning will not start after 1 hour and 5 minutes unless the game is tied
C) The International Tiebreaker rule will go into effect at the top of the 8th inning or any new inning after the time limit. We will only play one extra inning in pool games. After that inning the game will remain a tie. In 4 team pools a coin flip will determine winners and losers.
D) Teams may bat their entire line up for pool play

3. All double elimination play will be played by the following rules, except for the Championship game which will waive any time limit;

A) 8 run rule after 5 innings or 1 hour
B) ***A new inning will not start after 1 hour and 20 minutes unless the game is tied. (Revision 05-20-15)***
C) The International Tie Breaker rule will go into effect at the top of the 8th inning or any new inning after the time limit.

4. Each team will play two games in their respective pool. All teams from each pool will advance to the double elimination bracket play. Team seeding from each pool will be decided in the following ways:

A) FOUR TEAM POOLS

1ST PLACE --Team with 2-0 record
2ND PLACE--Team that won 1st game, lost 2nd game
3RD PLACE--Team that lost 1st game, won 2nd game
4TH PLACE--Team with 0-2 record

B) THREE TEAM POOLS

1. WON-LOSS record
2. If all 3 teams are tied at 1-1 then:
   A. Run differential
   B. The fewest runs allowed
   C. The most runs scored
   D. Coin flip

5. The managers of both teams shall meet with the scorekeeper 30 minutes before their scheduled game time to flip for home team. If one manager is there and the other one is not then that manager has won by default. Teams that are still playing will be allowed 5 minutes from the end of their game to arrive for the flip. The undefeated team in the championship game will be the home team. Home team will occupy the 3rd base dugout, unless one of the teams just finished playing on that field, in which case they will stay in their dugout. The home team manager will receive the official game ball when they turn in their line-up to the scorekeeper. The scorekeeper's copy of the lineup shall be delivered to the Scorekeeper at least 10 minutes before the scheduled game time. The plate umpire's copy shall be handed to him/her at the pregame conference 5 minutes before game time. The line-up submitted to the plate umpire becomes official at this time.

6. The umpires will keep the time on the field. At the scheduled game time, but after the pregame conference, the umpires will instruct the home team to take the field and then call out the game time on his/her watch. They will then cause the time they announced to be recorded by the official scorekeeper in the official scorebook for that game.

7. The team manager has the responsibility to contact the Tournament Committee to clarify any questions that may arise as to time, location and information on rescheduled games. It is the coaches/team manager's responsibility to check the scores of all of their games before leaving their field or the park. Coaches are required to be in proper uniform – No Jeans and flip flops allowed, and they must wear their ASA coaching badges while on the field.

8. No warm-up practice will be permitted on the infield dirt when any member of the grounds crew is on the field. When there is not any member of the grounds crew on the field, warm-ups can be conducted outside the baselines before the game begins. This includes any forfeited ball games.

9. Game time is forfeit time, unless a team is delayed by a late running game. Teams that play back to back and must change fields will have ten minutes to change fields and start the next game.

10. Any team personnel and/or fans who display unsportsmanlike behavior will subject themselves and/or their team to suspension from the game and/or forfeit. If flagrant enough it could cause suspension from the tournament.

11. The tournament committee will rule on all protests except rule interpretations. The tournament umpire-in-chief will rule on rule interpretations.

12. The tournament committee reserves the right to make rulings not specifically covered herein which are deemed to be in the best interest of the tournament. All decisions rendered by the tournament committee become final.
