

CLINTON CITY NEWSLETTER

JUNE 2008

IMPORTANT INFORMATION.....

Newsletter Advertising

On occasion, the City receives requests from local businesses to buy advertising in our newsletter. We have conducted a survey and evaluated the possibility extensively. As a result, we have decided to offer advertising for the month of July on a trial basis to take advantage of the Heritage Day Celebration.

Advertisements will cost \$10 per square inch, or approximately \$70 for a 2"x 3 1/2" (business card size) section. Ads will be accepted on a first come first serve basis and space is limited.

Please submit your advertisement with payment prior to June 20, 2008 to Clinton City c/o Newsletter Editor 1906 W 1800 N Clinton UT 84015.

Please call Lisa Titensor at 774-2651 for more information.

The Clinton City Civic Center will soon be complete. The Fire Department has moved to the new location with Police and City Hall to follow in June and Recreation in July.

The City will host an open house during the Heritage Day Celebration. Look for the info in the July Newsletter.

**The new address and phone number for Clinton City is:

Due to poor weather, the grass has not had a chance to fill in as hoped for; please stay off the grass in the new ball field and park area until further notice.

Thank you!!

Clinton City still has several parks available to adopt for the *Adopt A Park* program. Please contact Councilmember Barbara Patterson at bpatterson@clintoncity.com to sign up for this worthwhile opportunity to serve the community.

The Mayor and City Council would like to thank Glenda Swallow and the other volunteers who assist her in displaying Flags on the "Trail of Honor" along the Denver and Rio Grand Trail next to and around 1000 West and 1800 North.

Glenda's efforts in displaying Flags on holidays and special events have resulted in an area of the City that will Salute our Country and Honor those who serve for years to come.

LANDSCAPE REQUIRED FOR FRONT YARDS

Effective as of Feb 2007, all existing homes and new homes have 18 months within which to have their front yards landscaped. This will be enforced as of Aug 2008.
