This application includes the following services and fees: Water, Sewer, Storm Water and Garbage services from Clinton City, dispatch and animal control fees and Secondary Water from Davis/Weber Canal Company for the premises shown and agrees to the following:

- (1) To pay Clinton City for all services as billed until such time as the applicant shall direct these city services to be discontinued.
- (2) Upon disconnection request, water, sewer, garbage services will be discontinued. Other monthly services and fees required will continue with the property.
- (3) In the event of a failure to pay for these services, the city shall have the right to take action established by law to include but not limited to:
  - a. Assessment of administrative and reconnection charges and penalties and fees.
  - b. Discontinue services until all delinquent fees imposed are paid in full, either by credit card, cash or money order at the city offices.
  - c. Seek the services of a collection agency for all delinquent charges and any fees imposed.
  - d. File a Property Tax Lien with the Davis County Treasurer's Office for all delinquent charges and any fees imposed. All laws applicable to the levy, collection and enforcement of the city real estate property taxes shall be applicable to such an assessment.
- (4) In the event applicant fails to conform to the ordinances and regulations established by law, the city shall have the right to discontinue services at its election until there is a full compliance with the law.
- (5) To pay any and all attorney fees, reasonable collection and court costs, and interest for unpaid utility services.
