

TJ Mitchell

I am a lifelong resident of Clinton. My wife Amanda and I have 3 wonderful children. We love living in this beautiful city.

I am a graduate of Northridge High and Weber State University.

I have worked in the construction industry since I was a young boy. I am the owner of Mitchell Development and Big T Real Estate.

I enjoy fishing, hunting, and playing sports.

I have coached youth sports, served on the Clinton Elementary Community Council, and was appointed to the Clinton City Council in February of 2015. I love to serve.

Being a lifelong resident of Clinton, I have seen Clinton City go through many stages of growth. I want to continue to help Clinton be a wonderful place to live and raise a family.
