13-3-1 Purpose. The purpose of this Title is:

- (1) To protect the health, safety and welfare of the citizens of Clinton City and to insure the maintenance of the general aesthetics expected by its citizens and visitors.
- (2) To create and establish the Clinton City Solid Waste Collection System, directed and controlled by the City Council.
- (3) To establish procedures and standards by which the System and all citizens of Clinton will deal with waste.
- (4) To establish procedures and standards by which all conveyors of waste are expected to operate within the City.

History: 3/10

13-3-2 Authorization.

- (1) The collection, removal and disposal of residential solid waste shall be performed by the City or its licensee under the supervision of the City Manager. The City may require that certain persons contract independently to provide their own collection service from a recognized collection provider.
- (2) This Title does not restrict persons engaged in the business of commercial landscaping and lawn care to

collect, remove and dispose of community waste as incident to the business. However, this Title does establish standards for transporting community waste.

History: 3/10

13-3-3 Contracting.

(1) The City Council may make or let contracts or enter into agreements or licenses with any persons for the removal of garbage or waste matter. Before a contract is entered into by the City, bids shall be called for. A notice inviting bids shall be printed once in a newspaper published and circulated within the City.

(2) In establishing a contract the Council may require the contractor to provide a bond payable to the City, in a sum satisfactory to the City Council, conditioned upon the performance of the duties imposed by this Title and the terms of any contract or agreement entered into with the City.

(3) Procedures for termination of any contract entered into under this Title shall be established in the contract.

History: 3/10

13-3-4 Responsibility of Administration. The City Manager shall administer, implement, and enforce the provisions of this Title. Any powers granted or duties imposed upon the City may be delegated by the City Manager to persons or entities acting in the beneficial interest of or in the employ of the City.

History: 3/10

13-3-5 Office of Primary Responsibility. The City Manager is the Office of Primary Responsibility for this Title.

History: 3/10

13-3-6 Enterprise Fund. There is hereby established the Solid Waste Enterprise Fund which shall operate independently from the General Fund and as a self sustaining entity within the City budget.

History: 3/10

13-3-7 Fees and Charges. Fees and charges associated with the Clinton City Solid Waste Collection System shall be set by the City Council and adopted by resolution, from time to time, and published in the Clinton City Consolidated Fee Schedule. Billing and collection shall be accomplished as established in Title 2, Chapters 12 and 13.

History: 3/10

13-3-8 Disputes and Complaints.

(1) In all cases of disputes or complaints concerning the place where garbage receptacles shall be placed while waiting for the removal of their contents, where placement is not specifically fixed by this chapter, the City Manager shall designate the place, and his decision shall be final.

(2) In all cases of disputes or complaints concerning the rates of collection fees to be charged when the same are not specifically fixed by this chapter, the City Manager shall fix and designate the collection fee to be charged. The collection fee shall be presented to the City Council and be incorporated into the Consolidated Fee Schedule.

History: 3/10

13-3-9 Regulations. The City may adopt regulations as are necessary to implement this Title and its objectives.

History: 12/89

13-3-10 Penalty. Any violation of the provisions of this Title shall be a class C misdemeanor.

History: 9/84

13-3-11 Abatement of Nuisance. Any accumulation of garbage or waste in violation of this Title or other action not in compliance with the requirements set forth here the responsible party, owner or lessee shall, at his own expense, correct the offending condition upon notice by the City as established in Title 18 of the Utah State Code Annotated. If the owner or lessee fails to comply with this Section within the time set in the notice from the City, the Code Enforcement Officer shall so report to the Manager and the Manager may instruct the Code Enforcement Officer to abate the nuisance as a hazardous or inconvenient condition in the manner provided by law.

History: 3/10

Chapter 4. Definitions

13-4-1 Definitions

13-4-1 Definitions. The following are definitions as they apply to this Title.

“Approved Garbage Containers”

- (1) **“for Residential Uses”** means 90-gallon containers distributed by the City. These containers are designed specifically for automated collection, and have permanently attached, tight-fitting lids.
- (2) **“for Commercial Uses”** means those containers provided by commercial disposal companies, constructed of metal and designed to be rainproof, fly proof, water tight, and with lids adequate to prevent the spread of solid waste by animals or the elements. Containers shall be tightly closed in a manner as to prevent offensive odors or flies. Where required as part of the approval of a development, containers shall be kept in the approved enclosures with gates.
- (3) **“for Construction or Bulk Use”** means temporary containers provided by commercial disposal companies, of metal construction, intended for generators of combustible and non-combustible materials related to construction or other bulk removal needs, where garbage will not be deposited. Approved containers shall be located on the site as established in Title 5, Chapter 8 of the City Code. Containers shall be removed immediately upon fulfilling the need for the container. A lid is not required for these containers; however no container is to be transported without being secured to prevent the contents from becoming dislodged or leaking onto the streets or public ways of the City.

History: 12/89; 3/10

“Bulky Waste” means wastes that are not capable of being stored in the approved automated solid waste containers and cannot be picked up by automated collection vehicles, including items such as appliances, furniture, large tree branches, lawn sod and Christmas trees, etc.

“City Manager” means the City Manager of the City or his duly authorized representative.

History: 3/10

“Commercial Solid Waste” means garbage, rubbish, trash, food wastes, etc. resulting from the normal activities of commercial or other than residential users.

History: 12/89; 3/10

“Commercial User” means an enterprise not serviced by the City, such as a business, association, corporation, manufacturer, hotel, motel, resort, multi-family dwelling of more than three units, governmental or public entity or church, etc.

History: 12/89; 3/10

“Community Waste” means lawn cutting, clippings from bushes and shrubs, leaves and trees and tree branches.

History: 12/89

“Full Container” means any container for solid waste when the lid can not be closed to the normal position or when the solid waste reaches the rim of the container for construction or bulk use containers that do not have a lid.

History: 11/09

“Garbage” means waste from the preparation, handling, storing, cooking or consumption of food and food products.

History: 8/84

“Green Waste” means branches and clippings from bushes, shrubs and trees.

History: 11/09

“Hazardous Waste” means any chemical, compound, mixture, substance or article which is designated by the United States Environmental Protection Agency, the State of Utah Department of Environmental Quality to be ‘hazardous’ as that term is defined by or pursuant to Federal, State or local law.

History: 3/10

“Residence” means an occupied dwelling unit such as a single family dwelling, or multi-family dwelling of three or less units, not including hotels, motels, or multi family residential developments.

History: 12/89; 3/10

“Residential Solid Waste” means garbage, rubbish, trash, food wastes, etc. resulting from the normal activities of households.

History: 12/89

“Solid Waste” means a general term that applies to Commercial Solid Waste or Residential Solid Waste.

History: 3/10

Chapter 5. Collection of Residential Solid Waste

13-5-1	Creation of Collection Department
13-5-2	Collection – Reserved for City or Contractor
13-5-3	Contract
13-5-4	Residential Collection
13-5-5	Containers
13-5-6	Additional Containers
13-5-7	Closing of Garbage Containers Required
13-5-8	Containers - Authorized Person to Move
13-5-9	Time and Place of Pickup
13-5-10	Containers – Unauthorized Garbage and Waste

13-5-1 Creation of Collection Department. The Clinton City Solid Waste Collection System is established, directed and controlled by the City Manager.

History: 5/62; 9/84; 12/89

13-5-2 Collection - Reserved for City or Contractor. The City, in order to more effectually promote and protect the public health and safety and reduce the danger and hazard of fire and conflagrations, reserves unto itself or its licensee or contractor the exclusive right to collect, transport and dispose of, or cause to be collected, transported and disposed of, all residential solid waste produced or found within the corporate limits of the City. It is unlawful for any person, except as provided in this chapter, to collect, transport or dispose of any garbage or waste matter within the City, except as provided by this chapter.

History: 3/10

13-5-3 Contract.

(1) The City shall grant a contract to an independent contractor to operate a residential solid waste collection and sanitary disposal pickup route within the City upon the terms and conditions as the City Council shall require by contract.

(2) The holder of a contract shall be answerable to the City Manager for the conduct and operation of solid waste disposal. In the event of a complaint by any user of the residential solid waste collection system that can not be resolved by the City Manager, the holder of the contract shall be entitled to a hearing before the City Council prior to the revocation of any contract.

History: 5/62; 9/84; 12/89; 3/10

13-5-4 Residential Collection.

(1) The City or its agent shall collect, remove and dispose of all residential solid waste, the removal of which is not otherwise provided for by the establishment or institution as herein provided. All solid waste shall be collected, removed and disposed of frequently and in a manner as established per § 13-3-3.

(2) Except as otherwise expressly permitted by this Title, no residential solid waste shall be moved or hauled away or transported upon the streets or public ways of the City except by the City or its agent and except by authorized persons hauling commercial solid waste as hereinafter provided. It is unlawful for any person, except as permitted in § (3) below, to haul or remove residential solid waste in the City.

(3) Nothing contained in this Title shall preclude persons from hauling their own bulk or community waste over the streets of the City.

(4) Nothing in this Title shall be construed as eliminating the charge made for solid waste service.

History: 12/89

13-5-5 Containers.

(1) All residential solid waste to be collected by the City shall be placed only in approved containers issued to them by the City. Use of containers issued by others for residential solid waste disposal is prohibited.

(2) Container rental, collection and waste disposal will be provided to a user at a charge per month as established in § 13-3-7.

(3) Where bulk or community waste is being hauled by other than the City or commercial haulers, persons shall place bulk or community waste in suitable and sufficient receptacles, receptacles with tight-fitting lids, or properly and sufficiently treated water resistant bags manufactured specifically for the use. Loads shall be secured as required in § 13-7-12.

(4) Users within the City shall be issued one approved container by the City. The City retains title to the containers and the residential users make rental payments for use of the containers.

(5) Users renting containers furnished by the City shall be responsible for containers.

(6) Users shall keep the container free from destructive or decorative markings, shall maintain the original color thereof, and shall keep the inside of the containers clean and free from build-up of fungus or bacteria or any other type of contaminant that causes odors or facilitates deterioration of the inside or outside of containers.

(7) Users shall report to the City Public Works Department any damage to or malfunctioning containers that limit their usefulness for receipt of residential solid waste so that it may be returned to the supplier or repaired or replaced by the Public Works Department.

(8) Containers lost or missing through no fault of the user, shall be replaced by the City without charge.

(9) Containers furnished by the City are issued to specific users by number and are nontransferable. Upon discontinuance of use by a resident, containers shall be returned to the City.

History: 5/62, 9/84, 12/89, 3/10

13-5-6 Additional Containers.

(1) A residential user may request an additional container from the City.

(2) Additional containers will be provided to a user at an additional charge per month. The charge for rental, collection and waste disposal shall be set as established in § 13-3-7 and the charge shall be incurred for a minimum of four (4) months.

(3) At the time the user determines the additional container or containers are no longer needed, the City may be contacted for return of the containers. The additional charge shall be dropped from the monthly billings upon return of the containers provided the four (4) months minimum has been met.

(4) Additional containers are subject to availability. Providing initial containers to new residents will take priority over additional containers.

History: 12/89; 3/10

13-5-7 Closing of Garbage Containers Required.

Approved containers shall not be overfilled to the extent that the contents may be spilled during the process of pickup and dumping into the garbage collection vehicle.

History: 12/89; 3/10

13-5-8 Containers - Authorized Persons to Move.

No person other than those to whom a container is issued or their agent, or any employee or licensee of the City shall move, remove or interfere with any container or the contents thereof.

History: 3/10

13-5-9 Time and Place of Pickup.

(1) All solid waste collection by the City shall be placed on the edge of the street next to the driveway on the opposite side of the driveway approach from the mailbox, but in no event within ten feet of a

mailbox, and with the container's wheels as close to the curb as reasonably possible, with the hinge thereof to curbside and the lid opening facing toward the street. When snow or street construction prevents placing of the container against the curb, the container shall be placed not over two feet from the edge of the snow or construction and in a manner that will not obstruct traffic or unduly impede the snow plowing activities of the City. In areas of the City where there is no curb or gutter, containers shall be placed off of the traveled portion of the street, but close enough to the street that the container can be picked up without undue difficulty.

(2) Containers shall not be placed or permitted to block driveways or through traffic.

(3) Containers shall not be set out upon the street for collection prior to the evening of the day before collection and shall be set out prior to 6:00 a.m. on the day of collection unless collection is not desired by the resident.

(4) All empty containers or garbage receptacles must be removed from the street as soon as practicable after being emptied, and in every case, must be removed from the street the same day they are emptied.

(5) Those physically unable to wheel containers to curbside may arrange with the City Manager for proper pickup.

(6) It shall be unlawful to park a vehicle upon a public street within the City during the hours of garbage pickup on the street in a manner that interferes with access thereto by the garbage collection vehicle.

History: 12/89, 3/10

13-5-10 Containers – Unauthorized Garbage and Waste. Goods and material which are not residential and/or are prohibited by the disposal facility shall not be placed in City provided containers. These items include:

(1) Any loads the majority of which consists of combustible material;

(2) Hazardous waste of any kind;

(3) Any material that when incinerated clearly conducts electricity;

(4) Explosives;

(5) Medical or pathological wastes;

(6) Animal or human body parts or remains;

(7) Any materials the majority of which is liquid;

(8) Appliances or sinks, toilets, tubs, etc.;
