REVIEW MINUTES

Bev reviewed the minutes from the March meeting. Minutes accepted as read. (There was no meeting in April.)

HERITAGE DAYS

Jason's email was reviewed. Brooke said she also got small discs for us to give away at our booth. She will give those to Jason when she meets with him on Friday. Bev contacted Weber Basin and they will get us some "freebies" to hand out but they will have to be picked up at their offices. Terry said he would do that and Bev will get him the information. We have plenty of brochures from Weber Basin and Bev can pick those up, along with our other booth items, from the basement of City Hall next week.

We'll have our booth both Friday and Saturday. We have to be set up by 4:30 PM on Friday. Terry said he would be there by 4:00 to help Bev set up. We need to make more copies of the parks/trails map, the Veteran's Plaque order forms, and the Adopt-a-Park forms. We'll also need a table and 2 black racks to display photos.

We'll need to bring our own chairs. We'll need a tarp to cover our stuff Friday night. Jason needs to remember to bring his disc golf display.

It was decided by the Board members present that we will be in our booth from 5:00 PM until approximately 8:00 PM each day, which gives us time to close up and get out of the park.

NEWSLETTER
