REVIEW MINUTES

Bev reviewed the minutes from the May meeting. Minutes accepted as read. (There were no meetings in June and July.)

HERITAGE DAYS

Bev reviewed the survey: Senior Center (3); Playground Equipment (5); More Sports Fields (1); Amphitheater (6); Pickle ball Court (1); More Drinking Fountains (1); Community Indoor Gym (1); and discussion items were: Flip your Strip and Landscaping/Xeroscaping classes.

Brooke said that the attendance was good; no trophies were stolen; there were lots of teens at the Stomp but only a couple of fights during the fireworks; the fireworks were great; and most people liked the time of year (June) and that the blow-ups were free. Also the pickle ball and disc golf tournaments were good.

Jason said that the disc golf was well promoted but we still need to get more participants. There were 19 same as last year. He said everyone seemed to be happy with the cost of the registration fee vs. what value they received.

Brooke said that Heritage Days will be the same time next year.

NATIONAL DAY OF SERVICE

Mr. Cluff outlined September 9th as the Day of Service. There will be multiple projects throughout the city. On Wednesday, September 6th, the Youth Group will be working on tearing up some of the grass around the utility boxes in the Civic Center, which will be replaced with gravel. There will be a flag raising at Veteran's Park on Saturday the 9th. Also the bowery at Meadows Park will be painted. The Board members were encouraged to attend the flag raising, especially since it is in Veteran's Park adjacent to our Veteran's Brick Wall.
